

NEED MORE CREDIT ON CLIENTS?

THE ANSWER IS _____

A SIMPLE CREDIT SOLUTION FOR GROWING RECRUITMENT BUSINESSES

Losing clients to competition because of **concentration** or **credit limit** restrictions can be costly for recruitment businesses wanting to grow.

That's why Simplicity has been providing the recruitment industry with a unique solution called **XtraCredit** (formerly known as Doublelt) for over 10 years.

XtraCredit is a flexible funding solution that allows recruitment businesses to tap into additional credit on clients as and when they need it, without compromising finance agreements that they may have in place with another provider. Resolving both concentration and credit limit issues.

No need to switch to a different financier or potentially lose clients. XtraCredit allows you to fulfil your clients' requirements while protecting your business.

- ✓ No setup fee & No hidden charges.
- ✓ Due diligence & Debt Protection as standard.
- ✓ Temp, Contractor & Perm Solution available.

HOW DOES XTRACREDIT WORK?

We get you started by setting-up an XtraCredit account for you to access as and when you need to.

When you need additional credit, simply add the client to our GEMS system and request a credit limit.

Our team carry out due diligence checks and confirm the credit limit we can provide funding on for your client.

You can then start processing workers and invoices for that client via our GEMS system.

The processing team take care of all your payroll management, invoicing and credit control.

Finally, we pay your workers their wages and you, your margin - every Friday.

It's that simple!

XtraCredit is a flexible credit solution that enables you to increase your business without the restrictions of your current funder.

Get ahead of the competition and accelerate the growth of your recruitment business today.
